Dhaka. Bangladesh

Message of Greetings from the Communist Party of Bangladesh to the 15th Congress of the Communist Party of Brazil (PCdoB).

To

General Secretary

Central Committee

Communist Party of Brazil (PCdoB).

Dear Comrade,

We are happy to know that your party is going to hold its 15th Congress virtually on 15-17 October this year. The 15th Congress of the PCdoB is going to be held in a year when the whole world is facing a deadly attack of Covid 19 pandemic. As you all know that this pandemic has exposed the bankruptcy of modern capitalism in terms of providing adequate emergency medical care and mass vaccination program. At the outset of our greetings we express our sincere condolence for Brazilian people who lost their life due to pandemic and sympathy for their bereaved family. The Communist Party of Bangladesh hope that courageous people of Brazil will be able to cope up with ongoing health crisis and will be able to restart daily life. The CPB sincerely believe that this Congress will be successful in formulating its task to reinvigorating the PCdoB to overcome upcoming challenges posed by the neo liberal camps.

We also believe and hope that Brazilian people who have a long history of anti-fascist- imperialist struggle, democratic practice and secular ideas will march forward under your leadership and hold high the banner of democracy, secularism and socialism. Consequently, Brazilian people will sincerely carry forward their struggle for democracy, economic, social, energy and environmental cause. We wish all success of your commemoration programs of Centenary of struggles for the sovereign construction of Brazil in 2022 aiming to highlight the glory of your party.

In our country, we are passing through a very critical period when communal fundamentalist forces are plan fully carrying forward their anti-national agenda of reverting our country back to the abandoned ideology of political religion. They are nourishing terrorist groups and carrying on terrorist acts. Hefazot –e- Islami and Jamat-e-Islami are the most notorious among them. Meanwhile, the two big bourgeois parties, namely Awami League and Bangladesh Nationalist Party, both representing the interest of the imperialism and plundering bourgeois class of our country are engaged in a nasty fight for state power which has created a situation unprecedented in our history. Consequently, the electoral system of our country has become farcical. It is a severe political and constitutional crisis coupled with the undemocratic and unconstitutional activities by both the parties. Our party raised the slogan of building left democratic alternative in order to replace the two major bourgeois parties.

Dear Comrades,

People of Bangladesh and Brazil are continuing long friendship. We have many things common in culture and heritage. Specially, in the field of football and folk. Our two parties also has a long traditional friendship.

We wish your congress to be successful.

Long live proletarian internationalism.
