**Dear Comrade Luciana,**

AKEL warmly congratulates the leadership, cadres and members of the Communist Party of Brazil on the victory of Lula da Silva in the presidential elections in your country. This development is very important for your country and people, but at the same time it has a regional and international dimension, given that the removal of the far-right reactionary Bolsonaro government from power is a milestone in the struggle of the progressive forces of the whole world against the rise of the far-right and fascism.

AKEL follows and highly appreciates the activity of the Communist Party of Brazil for the rights of the working people and the progress of the country. We are sure that the Communist Party of Brazil, as part of the democratic progressive front, will continue to be at the forefront of expanding the unity of forces, and the struggle for your people and country. You have and will have the full solidarity of AKEL and the Cypriot Left.

With comradely greetings,
